Dear Mr. Llamas Monjardin,

Thank you for your organization's important annual contribution to the Foundation for the Global Compact.

You are part of a growing group of contributors – over 1,250 companies large and small in the past year – that provide vital support to the UN Global Compact and our work to drive the global corporate sustainability movement forward. With over 8,000 participants in 135 countries, we have truly become a global movement.

Funds raised by the Foundation support the UN Global Compact mission as well as high-impact activities carried out by the UN Global Compact, including leadership platforms, such as Caring for Climate, the Women's Empowerment Principles, the CEO Water Mandate and Business for Peace, and specialized workstreams on human rights, labour, anti-corruption and supply chain among others. We encourage you to visit [www.unglobalcompact.org](http://www.unglobalcompact.org) to learn more about how to engage with our initiative as well as about the state of corporate sustainability today in the UN Global Compact's flagship Global Corporate Sustainability Report.

To learn more about how your company can engage further with the UN Global Compact, please contact the Relationship Manager for your country, Leimer Tejeda ( [tejeda@un.org](mailto:tejeda@un.org) or +1-212-907-1371).

Your contribution will be recognized on your company's UN Global Compact public profile and on the website of the Foundation for the Global Compact. Thank you again for your strong support of the Foundation for the Global Compact; we are truly grateful.

Yours Sincerely,

Sir Mark Moody-Stuart  
Board Chair
